

CUTC Membership Criteria

Any organized center, institute, division, unit, or specifically identifiable organization devoted to transportation research, education and technology transfer, which is an integral part of a university or four-year college, may apply for membership in CUTC on behalf of the university, college or the entity itself.

Each university accepted for membership shall designate an individual delegate and may designate an alternate to CUTC by a signature on the following application from a senior university administrator (provost, dean, chair, etc.).

Please provide evidence of the following with your membership application:

- A. The applicant organization is part of an identifiable administrative organization of a department, college, university or university system that indicates a serious commitment to transportation research, education and technology transfer.
- B. The applicant organization has a director (or equivalent) who devotes at least part time to the work of the organization.
- C. The applicant organization has at least two other faculty or senior professional staff engaged in the conduct of transportation research, education and technology transfer.
- D. The applicant organization has evidence of a statement of purpose, proposal or strategic plan.
- E. The applicant organization is a continuing program with ongoing financing.
- F. Must maintain fiscal support to CUTC in terms of annual dues currently set at \$600 per year.

An applicant that does not meet all of the criteria for Membership may be admitted as a Provisional Member.

A complete application must be received by the Membership Committee no later than 30 days before a scheduled meeting of CUTC in order for that application to be acted upon at said meeting. Return the completed and signed form to CUTC Executive Director Alison Premo Black, ablack@artba.org or to 1219 28th Street NW, Washington, DC, 20007 or call 202-289-4434 x 409 for information.
